

# Dunfield News

Christmas Greetings from Sue & Paul  
& the Staff Team at Dunfield House

## CAKE STALL

A partnership between Dunfield and Kington Trefoil Guild helped raise the amazing sum of **£753.65 for Cancer Research**. The Trefoil Guild wanted a cake stall at Kington's Food Fair but didn't know how they could bake enough cakes and meet Environmental Health & Trading Standards Regulations.

The Dunfield staff wanted to raise money for charity but were working on the day of the fair. *SO.....* the Trefoil Guild donated the money to buy the ingredients and the cooks at Dunfield spent two days working together [generally they work shifts so are never all on duty at the same time], cooking the cakes, mince pies & Christmas treats with skill and love and lots of laughter for the Trefoil Guild to sell on the day.

Six members of the Kington House Church were involved by donating money and selling cakes at the fair. People buying cakes from the stall were told about the joint venture and heard about Dunfield and of the

ministry it offers to local people and to guests who come to stay.

## CHRISTMAS LUNCHES & GROUPS

We were privileged to host a birthday celebration meal for Joyce Spencer in November, and have hosted 4 Christmas lunches for local community groups this year.

Guests enjoy the opportunity to spend time together around the log fire, and have a Christmas lunch with five courses. We have led carols and prayers and shared our story of Dunfield and its aims.

Leading up to Christmas we have vulnerable children coming to stay who are given a holiday to remember along with a visit from Father Christmas. We have a church group booked into the Stables who want to step aside from the material world to celebrate the Christian message of the season.

We look forward to  
seeing you in 2011
